DEVELOPING CHARACTER, SKILLS AND COMPETENCE.

Lizzie Wanyoike

FOUNDER - NIBS TECHNICAL COLLEGE

NIBS Technical College remains firmly rooted in the bold and transformative vision of its founder, the late Lizzie Wanyoike, upholding her commitment to excellence, character and empowering young people through quality, practical training.

WELCOME MESSAGE FROM THE DIRECTOR

It is my great pleasure to welcome you to NIBS Technical College, a centre of excellence committed to shaping futures, inspiring potential and empowering learners to become competent, confident and industry-ready professionals.

For over two decades, NIBS has grown to be a trusted brand in technical and vocational training, offering a wide range of market-driven programmes designed to meet evolving industry demands. Our commitment to quality is further demonstrated through our ISO certification and strong partnerships with industry stakeholders, ensuring that every learner receives practical, relevant and transformative training.

We take pride in providing a supportive environment where every student is encouraged to grow academically, professionally and personally.

As you go through this prospectus, I invite you to envision the path ahead—one filled with knowledge, innovation, discovery and advancement. Whether you are beginning your training journey or seeking to advance your career, NIBS Technical College stands ready to walk with you every step of the way.

Welcome to NIBS, where quality training meets opportunity and potential becomes success. Thank you, and we look forward to being part of your journey.

Antony Wanyoike,
C.E.O & Chair, Board of Directors.

NIBS AT A GLANCE...

Established in March 1999, NIBS Technical College has evolved from a modest institution with just 25 students into Kenya's leading private tertiary training college with a commitment to providing high-quality technical and vocational education. We have earned a reputation for excellence, innovation, and adaptability to industry demands.

Accreditation and Quality Assurance

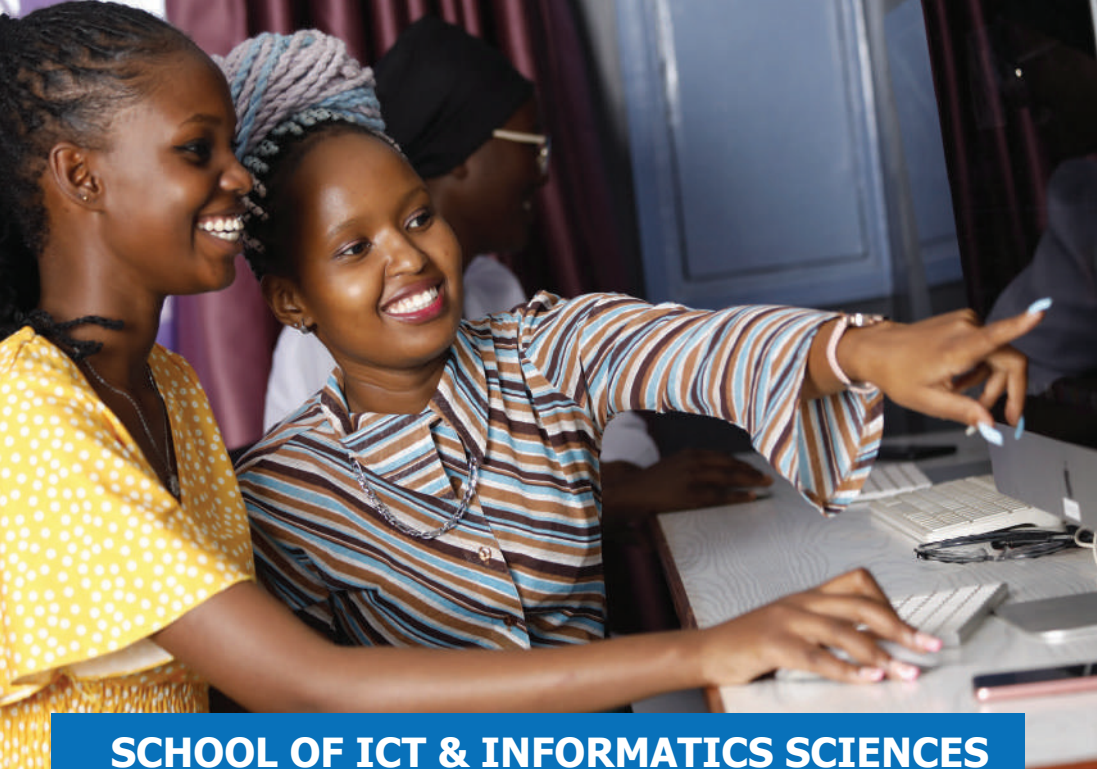

We are committed to maintaining high-quality training standards, as evidenced by our ISO 9001:2015 Certification. This certification underscores our dedication to providing world-class training and continuous improvement in all our processes, ensuring students receive a top-tier training experience.

Commitment to Student Success

We are dedicated to empowering students through comprehensive career development services, industry partnerships, and practical training. With a strong emphasis on personal growth and professional development, we nurture resilience, adaptability and a lifelong love for learning, ensuring that graduates are well-prepared to succeed in their chosen fields.

A Legacy of Leadership and Vision

We remain steadfast in our mission, building on the solid foundation laid by our Founder, Lizzie Wanyoike. Guided by her vision of continuous improvement and a commitment to empowering future generations, we look to the future with ambition. We will relentlessly uphold our reputation as your leading institution for technical and vocational education in Kenya. Our focus remains on fostering innovation and excellence as we prepare students to thrive in an increasingly dynamic and competitive world.

OUR COMMITMENT

At NIBS Technical College, we stand before the world with a solemn commitment to transform the learner, to ignite within them the flames of knowledge and to guide them towards the path of excellence.

We commit to **nurture the minds of our students**, to foster a spirit of curiosity and inquiry, and to provide them with the tools they need to navigate the complexities of the modern world.

We commit to **uphold the values** of integrity, respect, and inclusivity, creating a learning environment where every individual feels valued, supported, and empowered to reach their full potential.

We commit to **embrace innovation** and adaptability, to stay at the forefront of educational advancements, and to equip our students with the skills and knowledge they need to succeed in an ever-changing landscape.

We commit to **foster a sense of community** and collaboration, to encourage teamwork and mutual support, and to cultivate leaders who are not only adept in their fields but also compassionate and empathetic human beings.

With this, we commit ourselves to the noble mission of training, knowing that through our efforts, we will shape the future and make a positive impact on the lives of countless individuals.
